**Subject:** Support for the Rubicon Trail Cleanup and Abatement Order

I am writing to express my support for the draft Cleanup and Abatement Order issued on January 23, 2009 by the Central Valley Regional Water Quality Control Board to the El Dorado County Department of Transportation.

I commend the Regional Board and staff for your excellent assessment of the impacts on the Rubicon from off-road vehicle use and initiating the process needed to stop this damage from continuing. I also applaud you for finally taking action -- action that is long overdue -- and ask that the draft Cleanup and Abatement Order be formally adopted.
